If you are happy with your new FlashROY purchase and the added protection it offers for you and your loved ones, you probably know some other people who could benefit from this new type of passive, self-defense technology.

Included inside your carrying case are 10 Referral/Discount cards... each one good for a Ten Percent [10%] discount against the retail price of any FlashROY purchase. If you refer a new customer to us and they purchase one or more FlashROYS, you will also receive a partial refund of Ten Percent [10%] of your original FlashROY purchase. See the example below.

You can even use them to purchase MORE FlashROYS for yourself or your loved ones and get the Ten Percent [10%] discount. PLUS! You also receive another Ten Percent [10%] refund for a total of Twenty Percent [20%] savings on any subsequent purchases by you.

If you use all 10 cards but not all 10 referrals make a purchase, you can call us and request more cards... up to 10 cards per request. Once you have received a full refund of your original purchase price, this offer ends and you still own your FlashROY(s) free and clear.
